

# **SOUTH KYME V Louth**

**15 October 2016 (Away)**

## **MATCH REPORT**

This Saturday we were away to Louth. The weather was very kind for this time of year and many played in short sleeves. The course was in beautiful condition unfortunately we were soundly beaten 5 and a half to a half. Well done to Alan Cowie and Andy Davis our only pair to hold their own on this tricky course. Despite needing headlights to complete match

A very challenging course, great company food and all for just £5!!!!
