

SOUTH KYME V Laceby Manor

29 October 2016 (Away)

MATCH REPORT

Last Fixture of the year was played away at Laceby Manor. A 100 mile round trip, but for my part well worth every penny.

The course was challenging and in very good condition, the opposition were great hosts and provided an excellent meal of fish & Chips. To top it all even the sun came out, we could have worn shorts it was that warm.

John Spooner and I had a great match with the lead swapping every other hole, sadly we were just edged out on the 17th. The final score was a 6 nil defeat, but I'm sure now we know the course we can do better next time
